

Global Summer Programme 2027

(12th Edition)

Session 1: 28 June - 23 July 2027
Session 2: 12 July - 6 August 2027

SMU IS GLOBAL

The Singapore Management University is internationally recognised for its world-class research and teaching excellence.

Established in 2000, SMU is known for its highly interactive, collaborative and project-based approach to learning, and for its emphasis on generating rigorous and high-impact, and multi- and interdisciplinary research that addresses Asian issues of global relevance.

Home to more than 13,000 students, SMU comprises eight schools specialising in Accountancy, Business, Economics, Computing and Information Systems, Law, Social Sciences, Integrative Studies and Graduate Research Studies, offering a wide range of bachelor's, master's and PhD degree programmes.

The College of Integrative Studies and College of Graduate Research Studies also facilitate the development of interdisciplinary programmes across schools to prepare our students to face the challenges of a complex world.

GSP 2026 PARTICIPANTS' TESTIMONIALS

Natasha Rikke Jensen -
Copenhagen Business School

"I came to Singapore to learn about business in Asia, but I'm leaving with a much broader perspective on people, cultures, and the kind of impact I want to create."

Aleksandar Aleksic -
The Hong Kong Polytechnic University

"I learned, had fun, and met new people from all over—would love to return. Singapore and SMU are wonderful places."

Ariel Loiter Xiang Ying -
Singapore Management University

"GSP showed me that learning is most impactful when it extends beyond the classroom. The practical nature of the course gave me the confidence to apply what I learnt in real-world settings. Beyond the academics, one of the most rewarding aspects of GSP was learning alongside people from all over the world, whose diverse perspectives made every class both engaging and enjoyable."

Iver Jakobsen -
BI Norwegian Business School

"One month. Countless experiences. World-famous attractions, incredible people from around the world, new cultures, unforgettable food, and adventures across neighboring countries, all while studying a subject I genuinely enjoy. An experience I'll never forget."

Alexis Nguyen -
University of Washington

"What you put in is truly what you get out, so you should spend your time experiencing, learning, and enjoying while you can. Put yourself out there and make memories you won't regret."
