

Global Winter Programme 2026

(1st Edition)

5 - 23 January 2026

SMU IS GLOBAL

The Singapore Management University is internationally recognised for its world-class research and teaching excellence.

Established in 2000, SMU is known for its highly interactive, collaborative and project-based approach to learning, and for its emphasis on generating rigorous and high-impact, and multi- and interdisciplinary research that addresses Asian issues of global relevance.

Home to more than 13,000 students, SMU comprises eight schools specialising in Accountancy, Business, Economics, Computing and Information Systems, Law, Social Sciences, Integrative Studies and Graduate Research Studies, offering a wide range of bachelor's, master's and PhD degree programmes.

The College of Integrative Studies and College of Graduate Research Studies also facilitate the development of interdisciplinary programmes across schools to prepare our students to face the challenges of a complex world.
