

Global Summer Programme 2025

(10th Edition)

Session 1: 23 June - 18 July 2025

Session 2: 7 July - 1 August 2025

SMU IS GLOBAL

The Singapore Management University is internationally recognised for its world-class research and teaching excellence.

Established in 2000, SMU is known for its highly interactive, collaborative and project-based approach to learning, and for its emphasis on generating rigorous and high-impact, and multi- and interdisciplinary research that addresses Asian issues of global relevance.

Home to more than 13,000 students, SMU comprises eight schools specialising in Accountancy, Business, Economics, Computing and Information Systems, Law, Social Sciences, Integrative Studies and Graduate Research Studies, offering a wide range of bachelor's, master's and PhD degree programmes.

The College of Integrative Studies and College of Graduate Research Studies also facilitate the development of interdisciplinary programmes across schools to prepare our students to face the challenges of a complex world.

GSP 2024 PARTICIPANTS' TESTIMONIALS

**Chang Ting Hua -
National Taiwan
University**

It's truly a pleasure to engage in thought-provoking class discussions and enjoy life in Singapore with friends I made during GSP. Definitely a memorable experience.

**Kin Ho Cheung -
Vrije Universiteit
Amsterdam**

I highly recommend the GSP. Through it, I had the opportunity to study in one of the most important global business hubs and broaden my global mindset.

**Sophia Felice Dreyhsig -
Humboldt University of Berlin**

In just one month with the GSP, I had numerous unforgettable experiences and made friends from all around the world. Academically, I got the chance to learn new concepts from the diverse courses on offer.

**Lewis Chirwin Lim -
University of Sydney**

GSP has given me a sense of what it's like to study at one of the top universities in Singapore and ASEAN, and the programme is organised exceptionally well.

**Sadiya Halima Khatun -
City, University of London**

This is my first time studying abroad, and the SMU GSP provided a wonderful environment where I could explore new experiences with a diverse group of people.
